SAFETY INSTRUCTIONS

```
          CAUTION
  RISK OF ELECTRIC SHOCK
       DO NOT OPEN
```

CAUTION: TO REDUCE THE RISK OF ELECTRIC SHOCK:
DO NOT REMOVE COVER (OR BACK).
NO USER SERVICEABLE PARTS INSIDE.
USE THE RECOMMENDED ACCESSORIES ONLY.
REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.

The graphic symbols on the back cover of the set mean the following:

The lighting flash with arrowhead symbol within an equilateral triangle is intended to alert the user to the presence of uninsulated dangerous voltage. Within the product's enclosure, there may be full of sufficient magnitude to constitute a risk of electric shock to persons.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the appliance.

WARNING:
-TO AVOID THE RISK OF FIRE OR ELECTRIC SHOCK, DO NOT EXPOSE THIS PLAYER RAIN OR MOISTURE. AND DO NOT CLOSE TO FIRE, HEAT SOURCES,
-KEEP GOOD VENTILATION OF THE PRODUCT AND AC ADAPTER.
-DISCONNECT FROM POWER SOURCE DURING LIGHTNING STORM, OUT FOR LONG TIME OR DOING KINDS OF CONNECTIONS.
-HAVE THE PRODUCT UNPLUGGED FROM THE POWER SOURCE BEFORE CLEANING RELOCATING OR SERVICING.

Read all instructions before using

● Do not use this product near water.

● Install the product in accordance with the operating instructions.

● Do not set the product near heat sources, such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.

● Protect the power cord from being walked on or pinched, particularly at plugs, convenience receptacles, and the point where they exit the product.

● Where the MAINS plug or an appliance coupler is used as the disconnect device, the disconnect device shall remain readily operable.

● Unplug the product during lightning storms or when unused for long periods of time.

● The product shall not be exposed to dripping or splashing and that no objects filled with liquids, such as vases, shall be placed on the product.

● Do not place in or expose the product to direct sunlight, extreme heat, humid or dusty locations.

● Never operate this product if it has a damaged power cord or plug, do not work properly, has been dropped, damaged, or exposed to moisture, water, or other liquids.

● Do not attempt to examine or repair this product yourself; take the product to a service center for inspection and repair.

● Keep magnetic objects such as speakers, at a distance from the player.

Maintenance

● Be sure to press POWER to set the player to the standby mode and disconnect the AC adaptor before maintaining the player.

● Wipe the player with a dry, soft cloth.

● If the surfaces are extremely dirty ,wipe clean with a cloth which has been dipped in a weak soap-and-water solution and wrung out thoroughly, and then wipe again with a dry cloth.

● Never use alcohol, benzine, thinner, cleaning fluid or other chemicals. And do not use compressed air to remove dust
