

## ENTRY DOOR TAG

When submitting a claim for entry door damage, the following is required when sending in photos:

1. Clear photo of the LCI entry door tag. It is located on the hinge side of the inner door frame and is only visible when the door is fully open.
2. In addition to the photo from step 1, please submit additional photos for review to depict the failed component if necessary.

Should you need further assistance, please contact the LCI technical service representatives at (574) 537-8900 or [warranty@lci1.com](mailto:warranty@lci1.com).
